

### 2024 Chorus America Grant Panels

Chorus America is grateful to collaborate with a talented group of panelists to review applications and select recipients for our 2024 funding opportunities. Grant panelists were selected to represent the diversity of the music education, grantmaking, and choral communities, and bring varied lived and professional experiences and expertise. In selecting individuals for the 2024 grant panelist roster, a preference was given to arts leaders who have a demonstrated commitment to the principles of access, diversity, equity, and inclusion.
